

THE PAGODA PACERS A. C. PRESENTS THE UNIQUELY DIFFERENT

Run For the Ages

"where anybody might win the race!"

Age-Graded 10K Trail Race

SUNDAY JUN 30, 2024 8:30 A.M.

(START TIME STAGGERED BY AGE GROUP)

NOLDE FOREST READING, PA

(A portion of the proceeds go to the Friends of Nolde Forest, a non-profit group helping to maintain and improve Nolde Forest)

The Pagoda Pacers Athletic Club are excited to present this year’s running of one of very few trail races on the east coast with an age-graded start. Top age group performers have a legitimate shot at the overall title. Even if you aren’t out to win, the race is run on challenging yet very runnable trails in beautiful Nolde Forest with virtually no bottle necks. Challenge your families, friends and coworkers to come out and compete on a “level” playing field. The top 10 overall finishers in recent years have been a good mix men and women in many different age groups.

What’s an age graded start? Those who have more than a few grey hairs or have yet to hit puberty will get a head start based on age and gender. Typically, the oldest female wave starts first. Each following wave will start, based on 5-year age groups, working back toward the younger (faster?) folks. Wave starts bounce back and forth between sexes, as the handicap derived from the World Masters Association dictates. The youngest runners also get a head start. The actual handicap for each age division is posted at www.PagodaPacers.com.

*****The 2024 Edition Includes*****

A map of the course is on the Pagoda Pacer website and will be available before the race.
